The above reward will be paid to any person who may give such information as will lead to detection of the offenders and discovery of the identity of a male corpse, caste unknown, but probably that of a Sudra, aged about 40 or 45 years, about 5½ feet in height, dark complexion, face unshaven and moderate growth of hair on head, which was found on the 29th March 1893 in a nude state laid on and partly covered with a "dupti" within the limits of Ambalé village, Yelandur Taluk and about a furlong from Gulipur village, Chamrajnagar Taluk, Mysore District. If any man be missing answering the above description, immediate information should be given by his relations or friends to the Superintendent of Police, Mysore District, or direct to the Amildar of Yelandur.
